### Hello Friends,

My name is Christi Druin. I'm a Valley Station native. I attended Valley High School and Pleasure Ridge Park High School. I am very proud of where I am from — I support my community and all the other small businesses out there trying to make it. We are Southend Strong!

I am also a proud mother and grandmother! My children are Tyler, Christian, Kinnidi, Micah, Kindall and Kinzlee. My grandchildren are Jackson, Carter, Sayler and Tinley (but I am sure in time there will be more added to the list!).

I got my start in the food business with my first job at Moby Dick on Johnsontown Road and I hosted at the Tumbleweed in Shively. I then went on to do many other jobs — from selling make-up, UPS, PNC Bank, just to name a few. I also did nails for over 10 years too. During this time, I started serving and tending bar at Hoop's on Strawberry Lane and Stooges on Grade Lane. This is where I found my love for the restaurant business. During this time, I made lots of friends and future customers! In 2006, the opportunity came along to try my luck at my own business — it was either take the chance or never have the chance again! So I took the leap and — with the help of family and friends and the support from the community — here I am today, doing what I love! God has truly blessed me.

My goal is to provide great quality food at an affordable cost with the best and friendliest customer service you can get! I hope to be here in this community for many more blessed years to come with the continued support from all of you!

Thank you for your patronage,  
Christi J. Druin
